

The IAFC-Southwest Division of Fire Chiefs invites you to:

Brave Fire Leader Academy High Performance Leadership Training

Want company and chief officers who are as effective OFF the Fireground as ON? This engaging workshop helps current or aspiring Fire/Emergency Service leaders to:

- Transfer skills they already know to **prevent people problems**
- Learn key areas of focus to **improve the impact** of their job performance
- Have access to over **20 leadership tools** they can take back and use immediately
- Develop a flexible leadership approach to grow and **lead everyone**, no matter their age or style
- Think on a more comprehensive level about **advancing their department's success**

Instructors: Kelly Walsh & Chief Mike Burton, Ret.

Brave Fire Leader Instructors have traveled the country since 2016 training thousands of current and aspiring officers, from over 300 Fire Departments. This renowned training is known for its comprehensive focus on people skills so needed in Fire
